CHAIRMANS MESSAGE

Dear Friends

On behalf of the committee, I would like to bring you to the Schedule for the 2025 Ballyshannon Agricultural Show.

I would like to thank my fellow committee members and all those who have helped to prepare the schedule for the show day. Thank you all so to our loyal Sponsors and Advertisers for your generous support over the years and special thanks to Minister for Agriculture, Food and the Marine and Dara Calleary TD, Minister for Rural and Community Development and the Gaelthacht for the awarding of the funding to each Agricultural Show in Ireland. Finally not forgetting our Supporters, Exhibitors and Judges, I wish you all an enjoyable day at the Ballyshannon Agricultural Show. Also thanks to the landowners for the use of their lands to hold the show on this year.

I hope there will be some sunshine on the day. I ask everyone involved to observe safety to the highest standard.

The committee would also like to extend its deepest sympathy to exhibitors, sponsors, supporters & judges who have lost family members during the previous years since the last show.

May They Rest In Peace

Best wishes

Chairman

Important Notice to Animal Owners Involved in the Show The Irish

Shows Association would advise all animal owners who have their animals insured to have the insurance cover extended to cover them while showing animals at shows. We understand that it costs very little, or nothing at all, to do so, depending on who you have your insurance cover with.

If you are one of the few people who does not have cover, we would advise that you think about putting it in place for this purpose. It may well be worthwhile.

The reason for us giving you this advice is to protect yourself in the event of your animal lashing out and injuring someone or damaging someone's property. If that were to happen, and it is established that your animal was out of your control, you may be held fully or partly responsible for any injury or damage caused and may end up paying all or part of any settlement reached.

MINISTERS MESSAGE

Message from Dara Calleary TD

Minister for Rural and Community Development and the Gaeltacht

Welcome to the 2025 Ballyshannon Agricultural Show

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position to support the Ballyshannon Agricultural Show for 2025. My Department will again this year provided €1 million to over 120 other agricultural shows combined across the country, including your own event here in 2025.

Ní hamháin gur ceiliúradh ar shaol na tuaithe agus ar thraidisiúin na tuaithe iad seónna, is ceiliúradh freisin iad ar an nuálaíocht agus ar scoth na tuaithe. Déanann na seónna ceiliúradh freisin ar atá i gceist agus ar an tábhacht atá le Meitheal a bhfuil rath na bpobal seo ina croílár.

Like the show here in Ballyshannon, each local show around the country continues to be a key social event in the agricultural calendar. They have so much to offer, not just in terms of the competitions that are taking place here today, but also for the platform they provide to local businesses, local farmers and for local craft and artisan food producers. The local show is also one of the best days of the year for meeting neighbors and friends.

Your local shows provide a great link between our towns and villages and the rural hinterlands that support them. A place where exhibitors, producers, farmers and the wider public meet face to face to share all that is good about life in the countryside.

Each of the shows taking place this year have something special that makes them stand out from the rest. It may be the pedigree livestock competitions or perhaps

the exhibitions and food offerings. Whatever it is, your local agricultural show has something for everyone.

I would like to acknowledge the work that goes on for many months behind the scenes to bring this show to fruition. The efforts of committee members and local volunteers is a testament to how much this show means to the locality. Of course there is a sense of local rivalry for those much coveted titles and awards but it is always in the very best of spirits. The way in which neighbouring farms and parishes come together to support each other is a key component of country life. This sense of Meitheal is always on display as part of the local show.

Today is a chance to take a break from the busy farming schedule this time of year. I hope those of you attending the show this year thoroughly enjoy the day and that it gives everyone a chance to celebrate all that is good about rural Ireland. I will be visiting a number of the shows around the country and meeting as many of you as I can.

Dara Calleary TD

Minister for Rural and Community Development and the Gaeltacht

CATTLE SECTION

Animal Identification and Movement (AIM) Notification

1. The movement of cattle to and from an Agricultural Show/Fair within the State must be recorded on the AIM System. 2. With effect from 4 February 2019 there is a specific Certificate of Compliance for the "Movement of Bovine from a Single Holding to a Show", form NBAS 31K refers. 3. The herd keeper must obtain the Certificate of Compliance prior to the movement of animals. The certificate can be created by (i) applying on-line using their agfood account or (ii) where the keeper is not on-line the certificate can be generated by the local Regional Veterinary Office (RVO) following receipt of a completed form NBAS 31 K. 4. The creation of a certificate is subject to normal movement criteria such as clear TB test etc. 5. A copy of form NBAS 31K is included at Appendix 2 and will also be available on www.gov.ie. 6. When applying for this certificate, the Show/Fair number is not required. The certificate generated will include an "S" symbol. 7. The Certificate of Compliance for a show will continue to be valid for a period of up to 30 days. As is currently the case, these can be used for the movement of animal/s to several shows during the validity period of the certificate. Requests to the RVO should be provided with sufficient time to allow for the certificate to be generated and issued especially where one cert expires, and another is required immediately. Keepers who are likely to attend at consecutive shows are strongly advised to apply using herd keepers' on-line facility. The ability to create and print a certificate immediately (subject to the bovine meeting the relevant criteria) will remove issues which can arise where a certificate is already in place and a further certificate is required. 8. Calves which are less than 10 days old cannot be moved to a Show. 9. The Movement Notification Section of the Certificate should be completed and signed by the keeper. The form should also be signed and stamped by the Show Secretary who must clearly indicate the Show Number. The Show movement must be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary. 10. If the animal/s move from the show to a herd other than the source herd, the new destination herd must also sign the certificate. 11. Completed forms must be sent by the Show Secretary to the local RVO within seven days of the Show. Failure to have movements recorded within the required time scale may have implications for the herd keeper/s involved.

SHEEP

SHEEPNOTE: COMPLETED DISPATCH DOCUMENTS MUST BE PRODUCED BEFORE YOU WILL BE ALLOWED TO COMPETE. SPECIFIC REQUIREMENTS - SHEEP

Identification: All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS). **Movement Documentation:** All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks only can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the Regional Veterinary Office responsible for the county in which the flock is located. **AIM Notification** The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owner's sheep dispatch document as follows: 1. The owner/keeper presents the signed and completed dispatch document to the show secretary who checks it to ensure that it is completed in full. 2. The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding (iii) stamps it with the show stamp and (iv) signs the dispatch document. 3. The show secretary then forwards the completed pink section of the dispatch document to the local RVO within 7 days of the show movement. 4. The show secretary keeps the white copy for their records. 5. The source/destination keeper keeps the bottom yellow copy to enter it into their flock register. Ultimate responsibility for fulfilling this requirement lies with the Show Secretary. **Flock Register** All movements of sheep to and from shows must be recorded in the keeper's flock register.

- 1. Exhibits must be the property of the exhibitor for at least two months prior to the Show.**
